Additional Information

Things you might want to bring:

By the end of evening we want everyone to have a wreath to suit their own personal taste and style. So please feel free to bring anything to decorate your arrangement, such as:

- Your own choice of ribbon, dried citrus fruit, berries, bay leaves, rosemary, twigs, variegated leaves, alder cones, fairy lights, glitter or anything else you can think of! (We will provide pine cones, cinnamon sticks, a selection of ribbon, some berried holly sprigs, all main foliage)
- Making wreaths can be quite messy you may want to bring an apron and gardening gloves to protect your clothes and hands.
- We have a good number of specialist floristry scissors, but not quite enough for a large group. If you have a pair of garden secateurs please bring them so you are not waiting for tools.
